

Eagle Springs Ranch

Here is a wonderful property with a year round pond in Eagle Springs Ranch. It features 3 bedrooms, & 2 baths in the residence. Also features a large barn / workshop, a bunkhouse, corrals and a shed. 36.93 Acres just south of HWY 96, right off Rosita Road. This one has real AG potential, and would also make a good horse property. A Seasonal stream runs through the parcel, and much of the property is sub-irrigated hay ground, but this could also make a wonderful garden area too. If you are looking to be self-sufficient, this may be the property which you have been waiting for! Ask for a showing today.
